**Official Category:**

5 Star Hotel

The hotel is based on a traditional Maderian farm house, specially located in a private and peaceful atmosphere.

**Location:** The beautiful Quinta Mirabela is situated in an elevated position, with a superb view over all Funchal Bay in a privileged spot in terms of privacy and peacefulness, less than two kilometres from Funchal city centre. From the garden and terrace of Quinta Mirabela, located at Caminho do Monte, the very famous road used for the toboggan ride, we are able to enjoy the several fun face expressions of those who bravely try this old Maderian way of transport.

**Transportation:**

- Courtesy bus – (see time schedule at reception).
- Taxis until entrance, when asked for.
- Public bus stop available near the hotel.

**Parking:**

- Private indoor parking for hotel guests.
- Parking space by the hotel entrance and near.

**Airport:** The journey by car, from the hotel to the airport, takes approximately 15 minutes.

History tells that the English family Stephan, who built Quinta Mirabela in 1888, brought to Madeira one of the first cars. It was Mr. Stephan who had the brilliant idea that cars should have one spare wheel, reason why Madeira people call “stephan” to the spare wheel.
